ACCREDITATION OF SCHOOL CHESS ORGANISERS

As part of the National Officiating Accreditation Scheme controlled by the Australian Sports Commission, the Association is granting formal accreditation to chess arbiters to direct chess tournaments and similar activities. The level of accreditation is dependent on qualifications and experience.

For organisers of chess activities within schools, Level O accreditation is available subject to a certification by applicants that they understand the Laws of Chess and will apply the Laws impartially in school tournaments.

A once-only fee of \$15 is payable, for which school arbiters receive:-

- a framable certificate
- an accreditation card
- a copy of the Laws of Chess in booklet form
- a registered copy of Swiss Perfect 98, a computer program for pairing players in Swiss and round robin tournaments
- rating of tournament results under the Queensland Junior Rating System

Contact the Association for an application form and a copy of the Laws of Chess booklet.

SCHOOL CLUBS AFFILIATION

Why not also affiliate your school chess club with CAQ? It keeps you in touch with what's going on, and costs nothing.
